This custom turn-key Biltmore Park home checks all the boxes! Fantastic floor plan with master suite, library/office, dining room, great room, kitchen, breakfast area, sitting nook and laundry all on main level. Exceptional kitchen w/high-end stainless appliances, warm maple cabinetry, butler pantry area and granite counters open to sunny great room. Quality built-ins throughout. 3 BR upstairs plus bonus room. Guest BR on lower level w/family room, rec space and tons of storage. Bright and open, the living areas flow beautifully to the enchanting private outdoor living space with huge back deck and stone patio w/koi pond. Music, landscape lighting and hot tub, too. Level areas for games or playset. Ample room to entertain, relax and play. Secret trail through yard leads directly to adjacent wooded walking trails for exercise and exploring. Leave the car in the garage and walk to Town Square, pool/clubhouse and highly ranked public schools. Super value! (See 3D virtual tour).
